## Cover for employees' children

For just an extra **77p** per employee, per month, you can choose to provide children's cover for those employees with dependent children. Or, you can choose to select children's cover for your whole workforce at a discounted premium of **36p** per employee, per month. Children will receive cover on the same plan level you choose for your staff. If your employees choose to upgrade their level of cover, their children's cover will be automatically upgraded too, at no extra cost. Children's pre-existing medical conditions are covered and employees can start to claim for their children as soon as their own cover starts.

Alternatively, employees can purchase children's cover on a voluntary basis by paying an additional **77p** per month by payroll deduction or individual direct debit.

## Best Doctors®

### A second opinion and peace of mind.

The Chamber Primary Health Plan also gives staff and their families access to the free Best Doctors® service. Best Doctors® can be used to request an alternative assessment, from a world leading medical specialist, of a diagnosis they've received from their local medical specialist.

## DoctorLine™

### Access to a GP 24/7.

From anywhere in the world, 24 hours a day, staff can pick up the phone and arrange a call back from a practising UK GP. They can even choose to have a webcam consultation. It's the closest thing to a surgery appointment, but without the wait. If the doctor believes that their treatment requires medication, they can offer a private prescription, usually dispensed the next working day and delivered straight to their door.

## Westfield Rewards

### Making employees' salaries go further.

A great way to help policyholders save money on everyday items, this online portal allows policyholders to access offers and savings on a huge range of goods and services from over 1000 leading high street and online retailers.

By connecting with the Westfield Rewards website, your employees can make use of discount codes or purchase reloadable cards. The savings they make are often on top of sale prices, money off vouchers and online promotions, so their money goes even further. It's retail therapy at its best.
