CARBON NEUTRALITY DOESN'T HAVE TO COST THE EARTH

WE CAN SHOW YOU THE WAY

UK cost and procurement consultancy Auditel extends into carbon solutions with BSI partnership

Auditel, a leading UK cost and procurement consultancy, has announced its move and extension into the carbon management and solutions space in what it sees as a unique and complementary business service, helping organisations not just to navigate their path to Net Zero but to fund it through its cost savings and procurement expertise too.

Auditel, a leading UK cost and procurement consultancy, has announced its move and extension into the carbon management and solutions space in what it sees as a unique and complementary business service, helping organisations not just to navigate their path to Net Zero but to fund it through its cost savings and procurement expertise too.

Following a two-year development programme, the UK-wide consultancy network has repositioned itself as **The Cost**, **Procurement & Carbon Solutions Company** and will continue to offer its cost and procurement expertise, with the added carbon management and solutions service.

About Auditel: A pedigree spanning twenty-seven years

Founded in 1994, Auditel was established to help organisations make effective and informed procurement decisions within a rapidly evolving energy and utilities market.

Since then, the UK focused consultancy has built a strong network of over 100 cost and procurement specialists, becoming a leading procurement and supply chain management consultancy.

Auditel's procurement specialists typically work alongside an organisation's Finance, Operations and Procurement teams, providing the external help, delivering business transformation and a competitive advantage.

The business has now re-positioned itself to that of **The Cost, Procurement and Carbon Solutions Company**, VIJPIGXMZI SJ XLI GLERKMRK PE'EMWSCRE 12 IYEVRWALLES BOOK XXVIEW RXXVIIW

Our Mission is to help organisations become Carbon Neutral in a measurable, meaningful and potentially self-funding way.
